Greetings from The Chair of King Solomon

It is with great pride that I reflect back on the night of my installation. I say great pride because I was so impressed by the fine work done by the brethren of Hugh Murray Lodge to make that night a success. It is these efforts, by you my brethren, that keep masonry strong.

I would like to take this opportunity to thank the Installing Board, and also W. Bro. Edward Patterson the Installing Master, for their fine work.

Among the many highlights of the evening was the surprise visit of W. Bro. Kevin Ricketts, the Worshipful Master of Royal Sussex Lodge No. 6, of the Grand Lodge of Nova Scotia. Together we were initiated into Hugh Murray Lodge and have shared our collective degrees up to and including the Holy Royal Arch. Now we are Masters of our respective lodges.

W. Bro. John "fur face" Ironside travelled quite a distance by train from the Kingston area. Despite some difficulties, his efforts to see me Installed as Master will always be appreciated.

As we start a new year, I am looking forward to the work that we will do for our craft. We will start January off with an initiation of Mr. James Watt, to start him on his Masonic journey. Later in January we will be the Accompanying Lodge, for the DDGM's official visit to Corinthian Lodge No. 513, and with a Robbie Burns Dinner added in, it promises to be an exciting month.

Note to the newly elected and invested officers. I am pleased with our appointments, and I know that we will fulfil the duties of our offices in the usual Hugh Murray tradition. You have been chosen by the brethren because they see in you the potential to become; one day, the Master of our lodge. I look forward to a great year with you as my line officers, in the governing of our Lodge.

If any brother knows of any brother who is sick or in distress, please contact me or the S.W. W. Bro. John Harrop

May the G.A.O.T.U watch over us all.

Sincerely,

Worshipful Brother Gary David McLean
