### ***From our District Deputy Grand Master R.W. Bro. Glen James Notman***

October, a month focused on giving thanks.

Thank you for the warm reception received across the District, the fellowship, support and encouragement I received was heartwarming. I thank you all for your kind wishes and guidance.

I am thankful to have the time to visit all the lodges this month, either as part of a fraternal visit, a surprise drop in after a meeting, and by attending invitations to lodge picnics and barbecues, fellowship at its best. And especially I am thankful for having the support of my family.

Throughout the District this month, I have seen Degrees, Masonic Education, Memorial Services, Awards and Recognition given; and an emphasis on doing the Work well. I must say that you can tell when a Lodge has invested time and energy through practice.

Highlight has to be seeing 5 lodges come together due to a set of circumstance to perform a degree, the assistance we lend each other, last minute requests met, and support given, makes me thankful to be in the company of such men.

I encourage the Lodges to take the time to update our District Website. Seeing the variety of offerings this month, I want to share what is going on. Don't be shy, give people a reason to

visit your lodges. What may be ordinary in your Lodge may be extraordinary when seen through visiting eyes.

For example the Grand Lodge Brother to Brother Program will be making a presentation to Landmarks/Doric Lodge and other brethren present on Tuesday Oct. 28th. "Retain, Revitalize, and Renew Membership in our Lodges" by R. W. Bro. Leyland Muss. Check the trestle board on the [www.hamiltondistrictcmasons.org](http://www.hamiltondistrictcmasons.org) website for details.

Brethren, I was delighted to see such a well-attended District Fall Meeting at the Masonic Centre of Hamilton (aka the Scottish Rite) on September 13th. It is good to see people coming out to contribute to moving the District forward. We had healthy discussion on a variety of subjects and that makes for a strong District.

Thank you to the District Chairmen for taking up the challenge and moving things along briskly.

Our District Project 'Neighbour 2 Neighbour' is well under way and food bins are in place at our respective lodge halls. Planning is underway with to have a spring event to promote the charity, fellowship and bring our families together.

Looking forward to a busy October, check the calendar on our website for details. We have the Official Visits, Installations, the District Board of Relief Fall meeting, Fall Divine Service...and more.

Two things I really want to highlight, at the Fall Divine Service on Oct 19<sup>th</sup>, St.Paul's Church Caledonia, the three Districts will each be dedicating a travelling bible. Hamilton District 'C' will be dedicated to R.W. Bro. Don Jagger.

Also, the three DDGM's of Hamilton Districts A, B and C, in conjunction with the Grand Lodge of Instruction, are conducting a Lodge of Instruction focusing on the Masonic Memorial Service and First Degree Floor Work Monday, October 20th. Hillcrest Lodge 7:30 p.m. It is open to all the brethren in the District.

If you want to do the Work well, you need to see it done well. I encourage you all to visit, to share and to practice. The Work is our cornerstone, and Craft Lodge is our foundation.

Thank you all for being part of this great fraternity.  
Sincerely and Fraternally,

*R.W. Bro. Glen J. Notman*

Social Media: In today's social media networking, we need to use all available mediums, including the Grand Lodge Web Site. If our membership wants to communicate with Grand Lodge by e-mail, or by the use of the website, twitter, telephone or even 'snail mail', it will be their choice. But, we

must remember that social media is a great tool to get us to a meeting, but social media is not a place

to hold a meeting. We need that face to face contact. We must make our resources available to all our members and improve our customer service delivery. We have the material to educate members about Freemasonry, but we have to improve disseminating it.

The message of the Freemasonry is eternal and never needs changing! Yet, how we communicate Freemasonry must continually change. We're living in the midst of a I believe we have no choice but to become a

Digital Grand Lodge or we will be left behind. Today's Mason must use the digital road that lies in front of them. The world is digital, so we must become a Digital Mason. At our last Communication, M.W. Bro. Robert Conley asked: "Would you belong to any organization, group, committee, fraternity that looks behind instead of ahead? Would you follow someone that says, "Look at how great we used to be"? I know I wouldn't.

I think much of the discomfort of Masons with technology, and possible ill effects can be ascribed to the social and cultural turmoil that accompanies a paradigm shift of this scope, a revolution. Are we wholly ill equipped to manage information with new technology with old constructs? Has this led to confusion, inefficiencies and many stressed out secretaries? Are we on a collision between new technology and those who still in the analog world, causing a paradigm clash?

Technology is here and it is continuing to play a bigger part in our lives. You can't ignore it. You must embrace it, especially if it enhances the customer experience. If we don't, this generation will not be part of Freemasonry.

## *From the Deputy Grand Master*

Greetings brethren, I hope your time this summer was well spent and enjoyable spending some relaxing hours with family and friends. Having time to just let your mind get recharged for a few days is always a good endeavor and provides the opportunity to reflect on the past and look forward to the future with confidence and enthusiasm whether it be your daily walk of life or any other situations that require your attention and support.

Well brethren we are about to embark upon another masonic year, Grand Lodge was very exciting from my prospective and I hope those who attended had a memorable experience that will benefit your masonic journey and perhaps some information that will assist your lodge in the days before us.

Some items noted:

- Past Master's Course -the requirements for eligibility to become District Deputy Grand Master now requires you to complete Modules 7, 13, 14, 15, 16, and 18.. If you think you are interested in allowing your name stand for DDGM I think you should start as soon as your place in life permits. The ideal situation in my opinion is register immediately and complete one module a month for six months and your course would be completed by April without a whole amount of stress as we have experienced in the past trying to qualify two or three months before Grand Lodge. A Constitutional amendment that qualifies for the certificate of completion that will be required by June 15th of the year you are planning to be elected DDGM.

- Grand Lodge is going out on the road again with Seminars and Workshops. This provides an opportunity for masons to receive information and education personally other than attending Grand Lodge

- Members and lodges to assist with contributions to the Grand Master's Project PROSTATE CANCER RESEARCH. It is our hope to raise ONE MILLION DOLLARS that is directed to three researchers in London Hamilton and Kingston

#### **Brief History**

Upon the death of M. W. Bro. John Ross Robertson, Grand Master from 1890-1891, in 1918 a very fine collection of over 1,000 volumes of Craft literature was bequeathed to Grand Lodge. This collection formed the core of the Grand Lodge Library established in 1931 and administered by a special committee. Its first report to the Grand Lodge of its stewardship was presented in 1932. In 1937, a Library Committee was set-up as a sub-committee of the Board of General Purposes.

The Library was originally located in the Masonic Temple at 888 Yonge Street in Toronto. In February 1985, under the chairmanship of R. W. Bro. Wayne Elgie, the Library was moved to Hamilton and located in the lower level of the Grand Lodge Memorial Building at 363 King Street West. In May 1995, the Library was moved from the lower level to the second floor. Also at that time, M. W. Bro. C. Edwin Drew dedicated the second floor of the Memorial Building as a Museum. That same year, under the chairmanship of R. W. Bro. Frank Dunn, the Library, Museum and Archives Committee became a reality. This structure remains in place to this day.
