## Our District Deputy Grand Master

District Deputy Grand Master  
Hamilton South District

R.W. Bro. Cory Alexander McCarthy

### The Grand Master, R.W. Bro. Cory McCarthy and R.W. Bro. Norm McCarthy.

Our D.D.G.M. was born in Hamilton in 1970 and attended public school in Caledonia prior to graduation from Mohawk College with his Business Diploma. After college he embarked in a career in the print and marketing industry where he has worked over the last 34 years.

Cory is the proud father of Kathleen and Iain. Kathleen is an Aviation Maintenance Engineer (AME), Iain is a CNC break press operator.

Cory's Masonic career started in June of 1993, 20 years to the month after his father joined, making him a fifth generation Mason. In 1999 he was installed as Master of Doric Lodge No. 382 continuing the legacy of 4

generations. Later that year he served as the District Co-Chair of History, producing a booklet of the brief history of all the lodges of Hamilton B District which was then copied onto the District B Website.

In Hamilton C District he served again as Worshipful Master of the amalgamated Landmarks / Doric Lodge No. 654 from May 2015-to May 2017. For the next 5 years he was elected as Secretary following in the footsteps of his father and grandfather. He continued to serve his District in several different capacities as Chairman of Masonic CHiP, Finance, Lodge Resources, and Masonic Education. He was also instrumental in digitalizing District C historical records.

Cory is a member of the Anglican Church of Canada and has served his parish as a member of the Parish Council, People's Warden and Rector's Warden. He served as a Lay Reader, Lay Minister, and Property Chairman.

In his community Cory has been a hockey referee, a soccer coach and more lately involved as adult instructor and officer in the Navy League of Canada with NLCC Cougar in Hamilton.

And finally, when spare time avails itself, he indulges in reading, home renovations and cheering on the Hamilton Tiger Cats.

## Greetings Brethren

As the new District Deputy Grand Master of the newly aligned Hamilton South District, I am looking forward to representing the Grand Master in our District. This year will involve a lot of new experiences and hopefully new friends as we bring lodges from 3 districts together as one. I am grateful to the members of the districts for voting me into this high honour. Allowing me to follow in my father's footsteps as District Deputy. I would be remiss if I did not also extend my thanks to the members of Landmarks Doric #654 who selected me as their candidate for this office.

This year I will be encouraging the lodge who were formally of other districts to support each other. Lodges should look around and see what other Masonic Education presenters are available in the new District. Be observant and see who else can help with degree work. The Grand Master has asked the DDGM's to continue their work on REM, Ritual,

Education and Mentorship. Ritual by always striving to raise the quality and accuracy in your lodge. Education by working to find a good variety of Masonic Education presenters in your lodge. And Mentorship not only for the new members making sure that they are engaged and retained, but also for the officers to make sure they are focused on their duties and the preparing for the ones to come.

My theme for my year will be Raising Awareness. This will be addressed in 3 ways, first to spread more knowledge about masonry to the general public, second to awaken our own awareness of ourselves and third to make sure new members are educated in the wide variety of ways that they can contribute to their lodge.

I would like to Congratulate both R.W.Bro's Steven Badger and Brian Muir on excellent years last year and I hope they both enjoy the future endeavors they take on next.

## In Memoriam

**Dr. Ronald Eric Groshaw,  
OSTJ, C.D., M.D., FRCS(c), FFAO**

**Grand Master (1983 - 1985) of the Grand Lodge A.F. &  
A.M. of Canada in the Province of Ontario**

*Photo from the Grand Lodge  
Prepared by V.W. Bro. Marshall Kern.*

Born of French, English, Scottish, and Pennsylvania Dutch ancestry, Ronald Eric Groshaw was born in Palmerston and raised on the Wellington County family farm. He attended SS No. 5 Maryboro Public School, then Palmerston High School and the University of Western Ontario Medical School, graduating in 1955.

While taking university courses hostilities broke out in Korea and he enlisted in the RCAF. Upon completion of his internship, he served with No. 408 Squadron in the Arctic and subsequently with NATO in Europe, finishing his service with the rank of Squadron Leader. A significant event occurred on the night of February 17, 1957. He was aboard a B-25 Mitchell Bomber flying from Vancouver to Winnipeg. On the final approach the aircraft suffered engine failures after running out of fuel and crashlanded short of the runway in a residential area of Winnipeg. Fortunately, there were no fatalities. Several homes were damaged, and the aircraft ended the cross-country flight in an empty lot. Officer Groshaw and a colleague were seriously hurt and spent

time in hospital. This didn't deter him from flying as he earned his private pilot licence.

He took a postgraduate program in ophthalmology and received a specialist qualification in 1962. He became Chief of Ophthalmology at the Etobicoke General Hospital and on the staff of the Sunnybrook Medical Centre. He was on the teaching staff of the University of Toronto Medical School from 1962 to 1989.

From 1978 he had been a member of the Medical Advisory Committee of the Council for Ontario of the Order of St. John and in October 1982, in Ottawa, he was made a Serving Brother of the Order by the Governor General. At a return visit to Rideau Hall in 1992 he was invested an Officer in the Order of St. John.

The United Church of Canada has always been a part of his life. The family were members of St. Luke's United Church, Islington where he served as an elder, and now with Humber Valley United Church.

In 1960 he married Barbara Jean Bain and they had two sons, George (deceased) and Eric.

M.W. Bro. Groshaw considers himself a farm-boy who then studied medicine. His leadership skills developed when he became a Mason and accepted the mentoring of others. He has fond memories and great appreciation to many brethren who encouraged him. Just two examples are: Bro. Flaph (a fellow doctor) did not have a car in his later years and would call M.W. Bro. Groshaw for a ride to this lodge, or that meeting so they could chat about Masonry in the car. R.W. Bro. Ewart Dickson (P.G. Sec.) provided valuable private counsel and instruction. It was through direct contact with Masons across the Province, in person or by telephone, that M.W. Bro. Groshaw kept in touch with other Grand Lodge Officers, and DDGMs. This ongoing effort to reach out brought maturity to his leadership style.

Still, he always felt he was leaning on his medical background by showing empathy and sincere concern for the problems of others.

The consequence of these efforts was that other Masons stood by him as he was on the path to become the Grand Master. Even as Dr. Groshaw cared for his patients and students, those around him nurtured his Masonic career.

As Grand Master, M.W. Bro. Groshaw participated in the establishing of a Masonic Lodge Room at the Black Creek Pioneer Village, including the cornerstone ceremony on October 1, 1983. This was the culmination of several years of leadership and effort with the goal of moving an old building from Woodbridge, Ontario, to a new site at the Black Creek Pioneer Village. A significant team of volunteers from The Heritage Lodge No. 730 and other Masons across the province not only coordinated the move, and they raised \$117,000 to fund the transport and refurbishing of the building. This was more than the goal of \$100,000. It is pleasing to note that there continue to be volunteers tending to the Masonic Lodge Room and providing information to visitors.

There were profound changes in the world during 1983 and 1984 through M.W. Bro. Groshaw's term as Grand Master. Canada officially adopted the metric system at the beginning of 1983. At the end of the year Madame Jeanne Sauvé became the first woman Governor General of Canada. In 1984, Marc Garneau became the first Canadian in space, and Brian Mulroney became the Prime Minister with the largest Parliamentary majority in Canadian history. As Grand Master though, M.W. Bro. Groshaw diligently sought to assure there was consistency; and that the Grand Lodge Officers worked together as a team.

As an ophthalmologist, M.W. Bro. Groshaw has an ongoing affinity for the work of the Canadian National Institute for the Blind (CNIB). He and his wife gave time each year to work for the CNIB in many communities across the North. As a medical doctor, M.W. Bro. continues to encourage regular blood donations, and support for organ transplant programs.

### Masonic Career

He was elected Grand Senior Warden (1976-1977) and then elected to the Board of General Purposes (1978-1979 and 1979-1980), serving on Long Range Planning and Blood Donor committees (Chairman of the latter).

He was elected Deputy Grand Master (1981-1982 and 1982-1983) and as the 61<sup>st</sup> Grand Master (1983-1984 and 1984-1985).

## Masonic Passport, Twillingate

Masonic Lodge No. 2364

*Submitted by R.W. William MacPherson  
and Granddaughter - Zoe Fleming,  
(With files from the official website)*

**Lots of parking spots !!**

Twillingate is a town of 2,121 people located on the Twillingate Islands in Notre Dame Bay, off the north eastern shore of the island of Newfoundland in the province of Newfoundland and Labrador. The town is about 100 kilometres north of Lewisporte and Gander.

Joshua Roberts built the Masonic Hall in Twillingate in 1906 as a temple. The building has a distinctive egg-shaped dome atop an offset tower. The Masons have decorated the front gable end of the building with elaborate Masonic insignia. Below the eaves the uppermost windows are topped with curved arches, while triangular pediments adorn the windows on the lower levels. The main entrance has a pointed segmented arch above the door.

Since its construction, the lodge has been used primarily by the Twillingate Masonic Lodge No. 2364 for various masonic functions. In addition, the building has served the needs of other community organisations. From 1953 to 1980 the local Sea Cadet Corps used the ground floor for their functions. The community also uses the first level for various functions such as craft shows and gatherings.

In April 1998 the Heritage Foundation of Newfoundland and Labrador designated the Masonic Temple in Twillingate a Registered Heritage Structure.

## Registered Heritage Structure and Municipal Historic Site

Freemasonry in Twillingate started on October 21st, 1889, after nine local Masons applied to and received from the United Grand Lodge of England its warrant to operate as Twillingate Masonic Lodge No. 2364. Originally holding their meetings in a room at the local courthouse, in 1906 they erected the current structure where it has operated continuously to this day.

Twillingate Masonic Lodge is a unique example of Classically influenced vernacular architecture in a wooden building. The Classical Revival style is typical for Masonic Lodges. Classical elements of the structure, such as pedimented rain-caps, are intended as a visual link to the acclaimed ancient history of Freemasonry. It is topped by an ovoid dome, an Orientalist ornamentation not uncommon in Masonic buildings.

The stamped tin ceiling of the upstairs Lodge Room, imported from England at the time of construction, is ornately decorated with masonic symbols and the room is furnished with original furniture, some of which were made by the masons themselves. On entering the room, few are not immediately inspired.

With a maximum occupancy of 85, the downstairs hall is available for rent and is suitable for weddings, parties, dances, dart tournaments, musical performances, dinners, conferences, training sessions, etc. It is equipped with a licensed bar, Internet/wi-fi, and commercial kitchen.

Free tours are available from late June to late August each year, 9AM – 4 PM, Tuesday – Saturday. Special guided tours by Masons are available by request. Give yourself 30 – 45 minutes when you visit.

## Editors Note

Dear Readers,

Welcome to the new District! We invite all members, and especially the Lodge Secretaries to make contribution and submissions to our pages.

As a team Bill and I have spent some time going over how best to leverage the new website, content to provide and coverage for 15 lodges. A new structure for the district requires a new name for the Chronicle.

#### Newsletter Name:

Bill and I spent some time going over possible names and even consulted Bro.

you named me  
**WHAT!?**

"Google" for a list of best newsletter names. The conclusion we have arrived at is *Chronicle*.

We may consider a new header font but like the present format, we exchanged just one word, added branding and removed the "C". The Chronicle is a name brothers associate with a newsletter for over 15 years, and the format accepted by 15 DDGMs for the years without any major objections still makes sense.

We have received A G.L. award winner for District newsletter, and maintain a World wide distribution.

Our format which is flexible with a blend of leadership messages, local lodge events, pictures, special series (temple tours), event calendars - divine services etc. Will provide some familiar items as we remix the lodges into Hamilton South.

Looking to see many new members at our Sept District meeting and maybe we can get a contact person /reporter from each lodge to make The Chronicle content relevant and more meaningful to our members.
